

YOUR VOICE MATTERS!

JOIN THE LAKE POWELL SCHOOL COMMUNITY COUNCIL (SCC)

A DIRECT ROLE IN YOUR CHILD'S EDUCATION

The School Community Council (SCC) is a vital, state-mandated committee of parents, school staff, and the principal. By serving, you directly influence decisions that shape your student's learning environment and academic success.

As an SCC Parent Member, you will:

- **Allocate School Funds:** Collaborate on the School LAND Trust Plan, deciding how thousands of dollars in annual, discretionary state funding will be spent to address the school's top academic needs (e.g., funding specialized staff, technology, or academic programs).
 - **Improve Academics:** Review and analyze school data to identify critical academic areas for improvement.
 - **Advise on School Planning:** Provide crucial parent input and recommendations on key documents, including the School Safety Plan, Digital Citizenship Plan, and the Positive Behavior Plan.
 - **Represent Parents:** Serve as an official advisory link to the school administration and local school board on curriculum and community issues.
-
